

GLOBAL EAST ASIA TECHNOLOGY CO.,LIMITED

Product Name:Omni Fiberglass Antenna

PN:GLU3FG5D

Product Features

Small size and attractive appearance

Fiberglass encapsulation for excellent weather resistance

Simple structure and easy installation

Suitable for 351~366MHz frequency band systems

Technical Index	
Freq	351-366MHz
V.S.W.R	≤2.0
Gain	5dBi
Bandwidth	15MHz
Horizontal Beamwidth	360°
Vertical Beamwidth	30°
Polarization	Vertical
Input Impedance	50Ω
Max Power	100W
Mechanical Index	
Connector	N-K
Antenna Weight	1.3kg
Antenna length	130cm
Antenna Material	Fiberglass
Antenna Color	White
Working Temperature	-40°c~60°c
Wind Velocity	60 m/s
Pole Diameter	Φ40~70
Installation method	Pole installation
Work application	Indoor/outdoor
